RE: \$250 SCHOLARSHIP AWARD

Enclosed is a \$250 Scholarship form for any student of your school who is interested and is eligible to participate.

To qualify, he or she must plan on receiving an Agricultural related degree from either a College or a Technical Trade School in **Nebraska** only. This includes any Agricultural related studies such as diesel mechanics, etc. at a trade school. He or she must also complete the first semester of schooling and have at least a "C" average to receive the Scholarship money.

We will be giving one \$250 Scholarship this year to the top student who responds and qualifies. The form must be completed and returned by April 1, 2012.

Please pass this on to the person in your high school who is handling the Scholarship Program this year. We would appreciate your help in getting this to your students who may be interested in the Agricultural field of further learning.

Thank you and we are hopeful that we will get some responses to this letter from your school.

Sincerely yours,

Mary Ann Jansen, President
